

Free cycle training!

If you lack the confidence to cycle in the road, why not contact Camden Council and book a free on-road cycle training session? An instructor will cycle with you on the road to develop your skills and awareness. You'll come out of the course a more confident and assertive on-road cyclist.

For more information contact: Camden Council on 020 7974 5537 or email public.safety@camden.gov.uk

Cycling is a great way to get around. It's healthy, quick and fun. But please make sure that you cycle responsibly and with consideration for the law and for other people.

Remember, hop off the pavement when you hop on your bike.
